File No. 99798 of 195

Serial No.

Letter No 5918/55-6 dated 15.3.1958 from the Chairman city ITB Bangalore forwarding an estimate amounting to Rs 18,500/- for Communicating portion of Govt

Submitted 1) The estimate may be sent to Re CE for scrutiny in the first instance. Forwarded memo to the CE is put up for kind approval.

L 31/3

2) Forwarded to the Chief Engineer for scrutiny and return

Pl see above orders

L 31/3

3) So far no site seems to have been sold in this area no useful purpose would perhaps be served in forming a road now if a road is formed & left without being maintained, this would result in loss. Many such roads formed already are left uncared for. It is perhaps desirable that an inspection is made in respect of the area called Jayanagar East, where it appears the Board has acquired lands at a huge cost, some in isolated places, where development, in the near future, appears to be remote the chairman

Note.—Contn. Sheet

Extending 30th cross Road - Jayanagar

File No. 9979/B/L of 195

Mysore Government Secretariat

Serial No.

has not made any concrete proposals as to how best such area could be developed it is also perhaps desirable to get a sketch map in respect of Jayanagar earth showing definitely the areas acquired, the areas left out of acquisition, the roads formed, the sites formed & the sites sold. This may give a clear idea as to the need to form another road at a huge cost of Rs 18,500/- In one or some other connection, the chairman has been requested to spend amount in areas where the Board expects to dispose of sites and realise the amount soon. The present chairman of the Board may be also requested to arrange for inspection of this area (Jayanagar) by the Hon'ble Minister for P. H & Tpg. for kind perusal and orders. (This proposal would serve one purpose - it cuts the route from Jayanagar side to Bannerghatta short)

Ms 2/4

4) From the Sketch enclosed it is clear that a road is absolutely essential to connect Jayanagar to Bannerghatta Road. After all, the expenditure is Rs 18,500. The estimate may perhaps be scrutinised after scrutiny by the C.E. If approved, CE will be requested to scrutinise the estimate

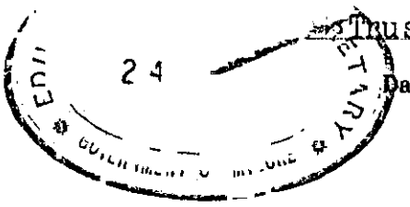
Trust Board, B a n g a l o r e,



Date 15th March 1956.

9TB-13-55-51

To

The Secretary to Government,

Education and Local Self-Government Departments,

Sir, B a n g a l o r e.

Regarding:- Extending 30th cross Road of Jayanagar East to join with Bannerghatta Road.

-- : --

I am enclosing herewith an estimate amounting to Rs.18,500Ø/- for the above work favour of communicating Sanction of Government to the same very early.

The report accompanying the estimate explains in details the necessity and the nature of provisions made therein.

The cost of the work may be met from the amount of Rs.50,000/- provided for in the draft Budget for 1956-57 for Jayanagar East Extensions. The Board at its meeting held on 15.2.1956, have approved of the above proposals since this will give approach from Hosur, Bannerghatta Roads to Jayanagar East and the area is expected to develop after the formation of this Road. A copy of the Resolution is enclosed herein enclosed.

Sanction of Government to the estimate may therefore be communicated very early.

Yours faithfully,

B Lankappa

(B.V. Lankappa)
Chairman.

(2) 7

Report to accompany the detailed estimate for extending 30th Cross Road of Jayanagar (East) to join with Bannerghatta Road.

As per sanctioned layout plan, 30th Cross Road, which is 80 feet wide and takes off from Kankanhalli Road is a through Straight Road, stopping at the junction with 28th Main Road as shown on the plan. Bannerghatta Road is closeby within 2 furlongs from the point of junction of this Road with 28th Main Road.

The spot was inspected by the Members of the Board and decided that this road should be extended upto Bannerghatta Road so that Jayanagar Layout may have access from Bangalore Civil Area, and may serve as a good incentive for prospective buyers of sites in Jayanagar (East).

So an estimate has been got prepared for the above work which provides for —

(1) formation of a 80 feet wide road between points A.B. The length of Road is 1,000 feet.

(2) Acquisition of sufficient land for this Road in S.No.47, 48, and 50 of Byrasandra village. The total extent to be acquired is 1 acre 34 gts.

(3) Providing necessary soling metal, and surface metal with consolidation charges for a width of 24 feet.

(4) Slabbed side drains of Section $1\frac{1}{4} \times 2\frac{3}{4}$' at the boundary and slabbed edging to retain the metal edges.

(5) Necessary Tools and Plant and Establishment Charges at $12\frac{1}{2}\%$ and $2\frac{1}{2}\%$ have also been included in the estimate.

The total cost comes to Rs.18,500/- as per current schedule of rates and may kindly be sanctioned in view of the importance of this road and the benefits anticipated by this link.

Early sanction to the estimate is therefore solicited.
